

To Whom It May Concern:

More so now, than any other time in the history of the sport, gymnasts are proving that combined resolve, sacrifice, and courage create unconquerable excellence. They inspire their peers to defy life's odds, and to exhibit grace in their strength. Gymnasts set and achieve some of the most demanding goals in competitive athletics, and because they remain unwavering in their fiery spirit, supporters like the WOGA Parents Club work to feed their hopeful energy with views of opportunity in their future.

WOGA gymnasts have won 35 World and Olympic medals and have been major contributors to the U.S. Olympic team's success since 2002. It is the first and only U.S. training program to produce back-to-back Olympic All Around Champions including Carly Patterson, the 2004 Athens Summer Olympic Games Champion and Nastia Liukin, the 2008 Beijing Summer Olympic Games Champion. WOGA is also the proud home of the 2016 Olympic Champion, Madison Kocian. Along with these, have been 116 outstanding Athletics Scholarships to major colleges. The WOGA Parents Club is proud of our hard-working gymnasts and coaches, and will continue to support them in the following ways.

During the 2019 competition season, this nonprofit organization will:

- Support approximately 200 competitive gymnasts and coaches by facilitating travel and attendance at men's and women's local, state, regional, national, and international competitions, ***whether the competitors participate with the organization or not.***
- Make possible, travel and attendance at *specialty camps* and clinics for top level gymnasts and coaches, for restored and reinforced, safe training.
- Reach out to the community through Gymnasts 4 Gymnastics, offering day camps to kids who would not otherwise have the chance to experience the sport first hand—this, in recognition of the responsibility to share choice experiences when benefiting by them.
- Volunteer over 10,000 hours collectively, coordinating charitable efforts as well as hosting world-class competitions for the earliest developmental levels through international elites.

Because you also understand the empowering value of fulfilling one's own potential, the WOGA Parents Club invites you to encourage these young people through sponsorships that make all of these opportunities possible. Attached, additional information regarding your tax-deductible contribution (Tax ID# 75-2548651) to an organization that believes in the heart of an athlete.

Many thanks for your valuable time and sincere consideration.
